METHOD OF ELECTION OF OFFICERS

At the first regular meeting in September of each year, the Sevier County Board of Education will organize by electing a chairperson and a vice chairperson to serve one-year terms or until a successor is named or they are no longer members of the Board. If no officer of the Board is serving at the time of the organizational meeting, any member of the Board may call the meeting to order and preside until a chairperson is elected as the first order of business. If the office of chairperson is vacated prior to the expiration of the annual term, the vice chairperson will assume all responsibilities of the chairperson until a new chairperson is elected.
