## ADMINISTRATIVE RULES AND OPERATING PROCEDURES

The superintendent is responsible for implementing board policies and for interpreting them to staff, students, and the public.

The superintendent, in consultation with principals, staff members, and other persons, will develop administrative rules and operating procedures as necessary to implement board policies.

With the policies and regulation of the Board and the superintendent, principals are authorized to establish rules and procedures for the staff and students of their schools.

The superintendent will establish and maintain an orderly plan for making accessible to all employees the administrative rules and operating procedures.
