

STUDENT CONDUCT

The staff is authorized to take reasonable measures to establish appropriate school behavior. Any professional employee will have the authority to control the conduct of any student while under the supervision of the school system. This authority will extend to all activities of the school, including all games and public performances of athletic teams and other school groups, trips, excursions, and all other activities under school sponsorship and direction.

Such measures may include the use of reasonable force to restrain or correct students and maintain order.

A student will not use violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or any other conduct which causes the disruption, interference or obstruction of any school purpose while on school property, in school vehicles or buses, or at any school-sponsored activity, function, or event, whether on or off campus. Neither will he/she urge other students to engage in such conduct.

A student found guilty of misbehavior may receive punishment ranging from verbal reprimand to suspension and/or expulsion dependent on the severity of the offense and the offender's prior record.
