

BP610

BUS CONDUCT

The school bus is an extension of school activity; therefore, students must conduct themselves on the bus in a manner consistent with the established standards for safety and classroom behavior.

Students are under the supervision and control of the bus driver while on his/her bus and all reasonable directions given by the driver will be followed.

The principal of the student transported will be informed by the bus driver of any serious discipline problem and may be called upon to assist if necessary. A student may be denied the privilege of riding the bus if the principal determines that his/her behavior is such as to cause disruption on the bus, or if the student disobeys state or local rules and regulations pertaining to student transportation.

The suspension of a student from the riding the school bus will follow the same general procedures as any other school suspension.

Any student who gets off at any point between the pick-up point and the school must present the bus driver with a note of authorization from the principal of the school that the student attends.

Any student wishing to ride a bus other than his/her designated bus must have written parental permission AND the approval of the principal.

Students who transfer from bus to bus while enroute to and from school are expected to abide by the disciplines policies adopted by this Board and reasonable rules as designated by the various drivers.
