FACULTY SPONSORED SUMMER PROGRAMS, CAMPS,
AND OTHER PROGRAMS NON-SCHOOL SPONSORED

The Sevier County Board of Education will, from time to time, approve the use of school facilities for summer programs, basketball camps, and other such programs that are not sponsored by the school system or the school. The individual(s) or group that sponsors the activity must adhere to the following requirements:

- * Any literature, solicitations, correspondence or written communications of any type must not be done upon the letterhead of any of the schools or of the system itself;
- * Any program be solely designated as the program, activity, or camp of the individual(s) or group conducting the program;
- * Before any solicitation materials are mailed, displayed, or distributed, the materials must be approved by the superintendent or his/her designee; and
- * Any written materials concerning the program, activity, or camp bear this disclaimer:

The foregoing program/camp is not sponsored by, endorsed by, or a program/camp in anyway conducted by, under the control of, or sanctioned by the Sevier County Board of Education/School System. This program/camp is solely the program of _____ (name of individual(s) or group) and as thus any matters in connection therewith are the sole responsibility of _____ (name of individual(s) or group).
