**Students and parents/guardians must complete and sign the Handbook Agreement Form to be kept on file with the school office.**

Dear Pigeon Forge Junior High School Parent/Guardian(s) and Student(s):

Welcome to Pigeon Forge Junior High School for the 2020-2021 school year. The goal of this handbook is to help parents and students understand the policies, regulations, and rules of PFJHS. Most of the information parents and students should need can be found within this student handbook/planner; however, this handbook is not intended to be an exhaustive list of every rule and regulation, but rather a general guideline. Please take time to read and discuss this handbook with your student, sign the Handbook Agreement Form, and return the signed form to the school. We look forward to working with your student as we strive to build a better world one child at a time. Go Tigers!

**MISSION STATEMENT**

The mission of Pigeon Forge Junior High School is to prepare our students to be life-long learners and thrive in a diverse society.

**VISION STATEMENT**

At Pigeon Forge Junior High School, our vision is to encourage life-long learning that promotes the success and worth of all students.

**BELIEF STATEMENTS**

- Curriculum should be based on state and national standards.
- Instruction should be based on developmentally appropriate learning activities.
- On-going assessment is a vital tool for monitoring student learning.
- Assessment results should work in conjunction with the curriculum to guide classroom instruction.

**SCHOOL HOURS**

School doors will open at 7:00 a.m. Students arriving before 7:50 a.m. must go to the gymnasium and be seated. Students are dismissed from the gymnasium at 7:50 a.m. to report to their classrooms. Classes begin at 8:00 a.m. Breakfast will be served every day from 7:30-7:50 a.m. in the cafeteria. Students are not allowed in any other areas of the building before school begins. In the afternoon, bus riders, car riders, and walkers will be dismissed at 3:00. Car pick up is in the front of school building. **Students may not be dropped off or picked up at the gymnasium or walk to the high school.** Students with signed permission slips to walk to the community center may leave school at 3:00 p.m. The community center offers after-school programs in which children can participate. There is, however, no direct supervision of students by the community center staff, nor is it their responsibility to supervise your children. While at the community center after school, students may come and go as they please. Parents must be responsible for their own children while they are at the community center.

**ABSENCES:**

The state of Tennessee has a compulsory attendance law, and excessive unexcused absences can result in petitions filed for truancy court. (See additional information under "Truancy") **A family may use five parent notes each semester for absences.** Doctor notes will be required for any additional absence. Students who miss school must give the front office a written excuse from their parents or guardian upon returning to school. **Proper notes are required even if a parent/guardian called the school the day of the absence, or even if the parent signed the student out of school.** If a student does not bring the required parent/doctor note, the absence will be considered unexcused. Notes will not be accepted after 10 days from the date of return. **Students are excused for the following reasons: illness, religious holiday, death in the family, medical appointments.** Unexcused absences may also result in points being deducted from the student's grades.

**TARDIES:**

The school day at Pigeon Forge Junior High School begins at 8:00 am; therefore, students must be at school and in their classroom by 8:00 a.m. Tardiness is a part of the attendance policy. Late check-ins and early check-outs are recorded as part of the student's attendance record. Tardies are often beyond the student's control, but without a proper excuse they will count against the student. **Like absences, students are excused for tardiness for the following reasons only: illness, religious holiday, death in the family, medical appointments, or at the discretion of the administration.** *Excessive tardiness can negatively affect student achievement, and multiple tardies may lead to disciplinary action.*

**MAKE-UP WORK:**

Students will be given one school day for each excused day absent to make up work. Make-up work will be accepted as follows: The student will have one day grace period for each day missed. Parents or students may call the office to request make-up work for extended absences. Assignments may be picked up in the school office. Students absent only one day may pick up their assignment the following day.

**EARLY CHECK-OUT:**

Students leaving school before 11:00 will be counted absent. If a student stays home on the day of a field trip he/she will be counted absent. If it is necessary for a student to leave school early or check out, a parent or an adult on the emergency card must come to the office to check the student out. Class time missed will be excused for the same reasons as a full day excused absence. Any student absent for an excusable reason is responsible for completing work missed as a result of leaving early. Please do not pick your child up early unless absolutely necessary. Students are not permitted to be checked out between 2:30 – 3:00 p.m. unless it is for a doctor's appointment (verification of appointment will be required). It is important to note that academic instruction continues until the 3:00 p.m. dismissal, and students that are consistently picked up early miss out on valuable instruction.

## **FAMILY VACATION OR TRIPS:**

The principal may approve a vacation request up to five days during the year; however, approval is based on the student's attendance and academic standing. Additional vacations during the year will not be approved. Vacations longer than five days must be approved by the superintendent. **Permission should be requested in advance of the trip using a vacation request form available in the office.**

## **BOYS AND GIRLS CLUB**

Boys and Girls club of Pigeon Forge may transport student members by bus from PFJHS. Given the close proximity to our school, students may walk to the club accompanied with Boys and Girls club staff with written parental permission. Notification of your child's participation in Boys and Girls Club is requested and will be filed in the front office.

## **CAFETERIA**

In addition to breakfast and lunch, PFJHS will offer an opportunity to purchase a brunch for students who do not arrive at school in time to eat breakfast. Our school provides excellent meals at reasonable prices. Students may bring lunch from home, but they may not bring carbonated drinks in cans or bottles. Ordering lunch to be delivered is prohibited. Also, due to the limited space available in our cafeteria, visitors will not be permitted to dine with students. Parents may drop lunch off for their child, but parents are not allowed to bring/cater a lunch for another child. Parents may manage their student's account with MyPaymentsPlus; instructions are available on [www.sevier.org](http://www.sevier.org) or [www.pfm.sevier.org](http://www.pfm.sevier.org). You may pay by the day or in advance by the week, month, or year either online or at the school.

Breakfast            Grades 7 – 8.....\$1.75  
Lunches             Grades 7 – 8.....\$2.65

While charging in the cafeteria is discouraged, we understand that it occurs from time to time. All charges will be expected to be paid prior to a student receiving their grade card each six weeks. Free and reduced-price school meals are available. Parents are encouraged to complete applications for free/reduced meals. These applications may be obtained from the office or the cafeteria manager, and may be returned to the office or the cafeteria manager. Free/reduced forms must be completed and turned in every school year. Eligibility does not automatically renew each school year. If your financial situation changes during the school year, applications can be submitted when needed. Students are to enjoy breakfast/lunch.

**CALENDAR:** Sevier County School System 2020-2021 Calendar is available online at [www.sevier.org](http://www.sevier.org).

## **PROGRESS REPORTS/GRADE CARDS**

Progress reports are sent after the third week of each six weeks grading period. Grade card reports are sent five days after the end of the six weeks period. Parents are required to sign and return both reports. Parents can access a student's grades at any time online at [www.gradebookwizard.com](http://www.gradebookwizard.com). Ask your child's homeroom teacher for their access code.

**Grading Scale**

<b>Grade</b>	<b>Percent Range</b>
A	95-100
A-	93-94
B+	90-92
B	85-89
C+	83-84
C	75-82
C-	73-74
D	70-72

Grade cards may be held if the student has an obligation (such as library fine, lost or damaged textbook, lunch charges, etc.) which has not been paid. Records will not be sent to another school unless all student obligations are met. Parents can access a student's grades at any time online at [www.gradebookwizard.com](http://www.gradebookwizard.com). Ask your child's homeroom teacher for their access code.

## **CELL PHONES & ELECTRONICS**

Cell phones and other electronic devices must be turned off during the school day and kept in a secure place where they are not visible, unless the devices are being used under the supervision of a teacher for instructional purposes. Teachers may require cell phones to be placed in a designated area in their classrooms. Students may not use cell phones inside the school building at any time between 8:00 am-3:00 pm. which includes calling, text messaging, taking photos and/or videos. Students who need to contact a parent must obtain a phone pass and use the designated phone in the office. The school will not be responsible for lost cell phones. Cell phone violations will result in disciplinary action.

## **HARASSMENT/BULLYING**

Pigeon Forge Junior High School faculty, staff, and administration will not tolerate the harassment of others. Physical, sexual, racial, religious, ethnic, or verbal harassment will not be acceptable in the classroom, at school events, or events on school property. Any person(s) believing he or she is the victim of harassment should report the alleged incident to school administration. Written reports may be mailed to Pigeon Forge Middle School, C/O Mitchell Whaley, Principal, 300 Wears Valley Road, Pigeon Forge, TN 37863. The principal may also be contacted directly at (865) 453-2401. Bullying of any description should be reported to your child's teacher, guidance counselor, and/or administration.

## **DRESS CODE**

The Sevier County School System recognizes the effect which student dress and grooming have upon student behavior and commitment to learning. Attire considered disruptive to health or safety is inappropriate. The following rules concerning dress and grooming are mandatory in grades Pre-K-12.

### **Bottom Wear (Waist and Below: pants, skirts, shorts, skorts).**

Bottom wear must be size appropriate for the wearer, with no sagging or bagging, and must be worn securely at the waist so as not to reveal undergarments and to prevent pant legs from touching the floor. Large bell-bottoms that expose less than one-fourth of the foot, and garments with large pockets (pockets that are excessively large or expand to be excessively large) are not permitted. Leggings and other similar bottom wear may be worn with a top which covers the student's buttocks and torso base.

Bottom wear must exceed the length of the wearer's fingertips when arms/hands are fully extended. Tears/rips/frays are allowed in bottom wear when they are located on the garment beyond the wearer's fingertips when arms/hands are fully extended; otherwise, exposed skin areas must be covered. No undergarments can be exposed.

### **Top Wear (Waist and Above)**

Shirts must be size appropriate for the wearer. Sleeveless top wear is permitted as long as the shoulder area is covered with a non-see-through material; straps of less than the child's hand width and tank tops do not meet these requirements. Bare midriffs shall not be allowed. Size appropriate fleece pullovers; light jackets; long sleeve crewneck, V-neck, or cardigan sweater vests; or sweatshirts may be worn over an approved shirt.

**Dresses**-Girls may wear dresses appropriately sized for the wearer and the length must exceed the length of the wearer's fingertips when arms are fully extended; otherwise, exposed skin areas must be covered. No undergarments can be exposed. Dresses will not have string or spaghetti straps, but will have straps that come to the edge of the shoulder. Straps of less than the child's hand width will not meet these requirements.

**Footwear**-Shoes must be worn at all times.

**Coats**-Coats, heavy jackets, or raincoats shall not be worn inside the building unless otherwise directed by the school principal or his/her designee in an unusual situation.

**All Apparel**-Articles of clothing shall not be worn which imply or promote alcohol, sex, drugs, tobacco, violence, gangs, racial slurs, or offensive language.

**Head**-No headgear or sunglasses will be worn in the building (except those worn for obvious medical reasons or religious purposes).

**Accessories**-Any accessory that presents a potential danger to self or others is prohibited.

**Other**-Tattoos, whether permanent or temporary, should be covered if possible. Visible body piercing jewelry (except of the ears) is prohibited. Hair is not to be sprayed or dyed in unnatural colors (such as blue, pink, green, orange, yellow, etc.).

**Special Days** -Schools may develop special dress days for occasions at the direction of the school principal.

**Special Situations**-If a student cannot comply with the standardized dress code based on special conditions or religious beliefs, his or her parent or guardian may write a letter explaining the situation to the Superintendent or his/her designee, with a copy to the school principal or his/her designee. Each case will be dealt with on an individual basis. To ensure the health and safety of students, the school principal or his/her designee is allowed to further restrict manner of dress or style of hair in specific curriculum areas (shop, chemistry lab, etc.).

**Book bags/Backpacks**-Book bags must be constructed from materials that allow the contents of the backpack to be visible (clear plastic/mesh). Any band instrument or solid sports bags must be dropped off at an area designated by the building level principal.

Any student not attired in accordance with the foregoing policy shall be subject to disciplinary consequences as per board policy. In addition to the foregoing, when a student is attired in a manner that is likely to cause disruption or interference with the operation of the school, the principal shall take appropriate action. ## **FIELD TRIPS**

Pigeon Forge Junior High School students may take field trips during the year to enrich their classroom experience. These trips are carefully planned. Parents are welcome to participate in these trips when there is space available and following proper district protocol concerning volunteers (see **SCHOOL VOLUNTEERS AND CHAPERONES** section). Students with multiple discipline infractions or with unsatisfactory academic standing may not be able to attend these trips and/or special events. Permission slips must be on time.

## **GRADEBOOK WIZARD**

GradeBook Wizard is our online gradebook program that allows both parents and students to stay informed of academic progress. Homeroom teachers will provide a parent login to each parent at the beginning of the year. Parents may log on by going to our school's website, clicking on the "GradeBook Wizard" icon, and following the steps for login. You **MUST** have a login code to be able to access your child's grades. This ensures that your child's grades are not seen by others. This is a very valuable resource offered to parents to ensure they are aware of their child's academic progress throughout the school year.

## **PARENT CONFERENCES**

Parents are welcomed and encouraged to make appointments and come to school to talk with teachers. Appointments must be made to coincide with the teachers' schedules; before and/or after school appointments are best. Regular parent conferences are scheduled after school at various times throughout the school year. Scheduled dates and times for conferences may be found on both our school's website calendar and on the GradeBook Wizard welcome page.

## **PARENT INVOLVEMENT**

Parents are encouraged to take part in our school. Active participation in our PTO is one of the best ways to be involved. The PTO will have membership information available during registration and orientation. Parents may visit the SCBE web site at [www.sevier.org](http://www.sevier.org) for more beneficial parent information and educational resources.

## **MEDICATION**

Students must bring all medication to the clinic. Medication should be brought in the original package with directions for administering the medication. Medication administration forms are available from the school secretary and must be completed by a parent. Students may not carry prescription or over the counter drugs with them without special permission from school officials. Violation of this policy will result in disciplinary action. State law prevents staff from giving students medication without proper procedures.

## **PERSONAL PROPERTY**

Cell phones, ear/head phones, computers, cameras, jewelry, electronic games, large amounts of money and other items should not be brought to school. Misuse of such items creates a disruption in the classroom and interferes with instruction. The school will not be responsible for personal property, including band instruments, brought to school. All personal items should be placed in safe areas (locked in a locker) during the school day. Students may not buy or sell personal property at school. Skateboards and bicycles should not be brought to school. Violations of this policy will result in disciplinary action.

## **SCHOOL PHONE USE**

Parents and students are expected to make afternoon arrangements before coming to school, and students are expected to be prepared for school upon arrival. Students will not be allowed to use the office phone to obtain permission slips, homework, practice clothes, etc. Such use of the office phone causes disruptions and interferes with school operations. Students will not be called out of class for messages unless it is an emergency situation (death in the family, serious medical situation, etc.)

## **PHYSICAL EDUCATION PROGRAM**

Tennis shoes and appropriate clothing for exercise are required for the physical education program. All students must participate or have an excuse from a physician.

## **TEXTBOOKS & LIBRARY BOOKS**

Textbooks and library books are on loan to students for their use during the school year and are checked out by bar code through the library. Textbooks are also labeled with the student's name and teacher initials. They are to be kept clean and handled with care. Students will pay for damaged or lost books. Students will not be issued books until payment is received or lost books are returned. Students may not attend field trips, special events, or extracurricular events if they have lost books. Replacement costs may be obtained in the school office. The same rules, policies, and consequences apply to library books on loan to students.

### **TESTING CALENDAR**

As passed in the 2014 General Assembly, Public Chapter 892 requires the Tennessee Department of Education as well as school districts to post a calendar of all state and district mandated tests each school year beginning July 31, 2014. This information is available on the district's website at [www.sevier.org](http://www.sevier.org). Individual student test results from state testing processes will be released to students and parents by the Sevier County School System promptly upon receipt of the information from the Tennessee Department of Education. Questions about assessment processes should be referred to your child's teacher, principal, or Mr. Tony Stinnett, District Testing Coordinator. Mr. Stinnett can be reached at [tonystinnett@sevier.org](mailto:tonystinnett@sevier.org) or at 865-453-4671. Due to the emergency school closure in March of 2020, no standardized testing information will be available for the 2019-2020 school year.

### **VISITOR CHECK-IN**

The school system is committed to a safe campus without interruption of the instructional process. Visitors will be asked to display a driver's license or government issued photo identification before entering the building, to report to the school office upon entering the school, and to sign a guest log. Authorization to visit elsewhere in the building or on the school campus will be determined by the principal or his/her designee. Through the KeepnTrack Program, guest passes will be issued for all persons other than students and employees of the school.

### **TENNESSEE REPORT CARD**

The current Tennessee Report Card is available at the State Department of Education website (<https://www.tn.gov/education/data/report-card.html>) and on the school system's website. The Tennessee Report Card provides information about demographics, statistics, and performance indicators for both the system and school.

### **PARENTS' RIGHT TO KNOW**

The Every Student Succeeds Act (ESSA) requires that all schools notify parents that they have a right to request and receive timely information on the professional qualifications of the teachers and paraprofessionals working with their children.

### **SURVEYS, ANALYSES, AND EVALUATIONS OF STUDENTS**

Surveys, analyses, and evaluations for research purposes shall be allowed by the Sevier County Board of Education (SCBE) when the project is viewed as contributory to a greater understanding of the teaching-learning process, the project does not violate the goals of the SCBE, and the disruption of the regular school program is minimal.

No student shall be required to submit to a survey. Per state and federal law, prior to the dissemination of a survey, analysis, or evaluation to students, parent(s)/guardian(s) shall be notified of their ability to review the materials. Such notification shall include information indicating the purpose of the survey, analysis, or evaluation as well as who will have access to the results. Following such notification and prior to the administration of the survey, analysis, or evaluation, parent(s)/guardian(s) may opt their student out of participation.

### **VACCINATIONS**

Per state law, the Sevier County School System is required to provide information to parent(s)/guardian(s) as to the following diseases.

*Meningococcal meningitis* is inflammation of the tissues and fluid surrounding the brain and spinal cord. It can be caused by bacteria or viruses. Symptoms can include fever, sudden severe headache, stiff neck, rash, nausea, and vomiting.

The bacteria that causes meningococcal meningitis is very common. Most people will carry this bacteria in the back of their nose and throat at some point in their lives without ever getting sick. In a few people, the bacteria overcomes the body's immune system and passes through the lining of the nose and throat into the blood stream where it can cause meningitis.

Meningitis is spread through exchange of respiratory droplets or saliva with an infected person. Only a small percentage of people who are exposed to the bacteria will develop meningitis. The bacteria that causes meningitis is not spread by casual contact or by simply breathing the air where a person with meningitis has been.

There is a vaccine that will decrease the risk of some types of meningococcal meningitis, but it does not totally eliminate risk of the disease.

*Influenza* is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. Symptoms can include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, feeling tired, and sometimes vomiting and diarrhea.

Flu viruses are spread mainly by droplets made when someone with the flu coughs, sneezes, or talks. A person can also get the flu by touching something that has the flu virus on it and then touching his/her mouth, eyes, or nose.

There is a vaccine that can be received in the form of a flu shot or by nasal spray that can protect against the flu.

To receive additional information regarding these diseases, including locations to receive the vaccinations, contact Mr. Steve Branton, School Health Coordinator.

### **IMMUNIZATIONS**

No students entering school, including those entering kindergarten or first grade, those from out-of-state, and those from nonpublic schools, will be permitted to enroll without proof of immunization. Immunization requirements can be found at [www.sevier.org](http://www.sevier.org).

### **MEDICINES**

Board Policy 627 clearly states that the Sevier County Board of Education acknowledges the fact that students occasionally must take prescription medicine during school time as prescribed by a licensed physician or dentist or non-prescription medicine as requested by a

parent/guardian. When medicines must be taken during school hours, the student must be competent to self-administer the medication with assistance and must adhere to the procedures communicated by school officials.

## **DRUG-FREE SCHOOLS**

Students shall not consume, possess, use, sell, distribute, or be under the influence of illegal drugs or alcoholic beverages in school buildings, on school grounds, in school vehicles or buses, or at any school-sponsored activity, function, or event, whether on or off school grounds.

Disciplinary sanctions shall be imposed on students who violate this standard of conduct. Such sanctions shall be consistent with local, state, and federal laws up to and including suspension/expulsion as well as referral for prosecution. Completion of an appropriate rehabilitation program may also be recommended.

Information about drug and alcohol counseling and rehabilitation programs shall be made available through the school office.

## **CHILD ADVOCACY GROUP**

Child advocacy group contact information is accessible on the Special Education page of the district's website at [www.sevier.org](http://www.sevier.org). Organizations available to help with information, training, and advocacy are noted. Links are also provided as a service to individuals seeking additional avenues for help and information. The Sevier County School System does not intend this as an endorsement or recommendation for any individual, organization, or service represented on the pages.

## **SAFE SCHOOL CHOICE**

Every public school shall annually notify parents that if their child is a victim of a violent crime at school, the child has the right to attend another grade-appropriate school in the district.

## **CHAPTER 410 OF THE PUBLIC ACTS OF 2007**

Smoking is not permitted in any form at any time inside any school building. State law prohibits the use of tobacco in any form after regular school hours in any public seating areas, including, but not limited to, bleachers for sporting events, concession stands, or public restrooms. Smoking may be permitted in designated areas at outdoor athletic events, but such smoking must be restricted to a place far enough away from the seating areas, restrooms, and concession stands so that the smoke will not drift back into these areas.

## **CHILD ABUSE AND NEGLECT**

School personnel are required by state law to watch for signs of child abuse and neglect. They are also required by law to report any information or suspicions to the proper authorities.

**SCHOOL SAFETY AND SECURITY ACT, SCHOOL DISCIPLINE ACT, TCA 49-6-2008** Parents, please be aware of the following laws that relate to persons on our campus:

- Personal searches may be conducted if the principal has a reasonable suspicion that a student or visitor has in his/her possession drugs, drug paraphernalia, and dangerous weapons.
- Vehicles parked on school property by students or visitors are subject to search for drugs, drug paraphernalia, or dangerous weapons.
- A student may be subject to physical search because of the results of a locker search, or because of information received from a teacher, staff member, student, or other person, if such action is reasonable to the principal.
- FELONY- State law prescribes a maximum penalty of six (6) years imprisonment and a fine not to exceed three thousand (\$3,000.00) for carrying weapons onto school property.
- No person shall enter onto the grounds or into the buildings of any school during the hours of student instruction, except students assigned to the school, the staff of the school, parents of the students, and other persons with lawful and valid business on the school premises.

## **TIPLINE FOR REPORTING THEFT, WEAPONS, BULLYING, DRUGS, AND OTHER SUSPICIOUS ACTIVITIES**

A partnership between the Sevier County School System and the Sevier County Sheriff's Department provides a tip line where callers can remain anonymous. The phone number is 865-453-0312. Students are also encouraged to contact the principal, school counselor, or other trusted adult with issues around bullying, cyberbullying, threats of violence, or other social or emotional issues.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

In 1974, the Family Educational Rights and Privacy Act (Buckley Amendment) Public Law 93-380, 438 was passed to ensure confidentiality of school records. FERPA requires that the Sevier County School System with certain exceptions, obtain the written consent of parents prior to disclosure of personally identifiable information from a child's educational records. Parents should be encouraged to carefully review the FERPA notice which is distributed for parent signature at each school annually. The notice specifically deals with the access of military recruiters. In 2015, the Sevier County Board of Education modified its Student Records Policy (BP 122). Parents are encouraged to review the modified policy online at [www.sevier.org](http://www.sevier.org).

## **CHILDREN AND YOUTH IN TRANSITION**

The Sevier County School System will ensure that all children and youth receive a free appropriate public education and are given meaningful opportunities for success in school. The system will follow the requirements outlined in the McKinney-Vento Homeless Education Assistance Act. A copy of the policies related to McKinney-Vento is available in the school office.

## **ENGLISH LEARNERS**

If the inability to speak and understand the English language excludes a student from effective participation in the educational programs offered by the Sevier County School System (SCSS), the SCSS shall take reasonable actions to provide the student equal access to its programs. Students who are English learners (EL) shall be identified, assessed, and provided appropriate services. No student shall be admitted to or excluded from any program or extracurricular activity based on the student's surname or EL status.

## **STUDENTS IN FOSTER CARE**

Board Policy 653 (Procedures for Students in Foster Care) clarifies that the Every Student Succeeds Act (ESSA) contains key protections for students in foster care that are designed to promote school stability, student success, and collaboration between local education agencies (LEAs) and child welfare agencies.

The Sevier County School System shall provide all students in foster care, to include those awaiting foster care placement, with a free and appropriate public education. Students in foster care, to include those awaiting foster care placement, shall be immediately enrolled, even if the student is unable to produce records normally required for enrollment (i.e. academic records, immunization records, health records, proof of residency). Placement shall be determined based on the student's best interest. At all times, a strong presumption that keeping the student in the school of origin is in the student's best interest shall be maintained.

## **STUDENTS FROM MILITARY FAMILIES**

## **VIDEO SURVEILLANCE**

The Sevier County Board of Education authorizes the use of external video surveillance equipment on SCBE property as part of a multifaceted approach to protecting the safety and security of students, staff and property. Board Policy 648 clearly states that Sevier County students will be provided a learning environment free from sexual, racial, ethnic, gender, national origin or religious based discrimination, intimidation, harassment, bullying or cyberbullying. It will be a violation of this policy for any employee, volunteer, parent or student to discriminate, harass, bully or cyberbully a student for any reason (complaints of disability

The suspension will be reported to the Central Office on forms provided and the student's parent or guardian will be notified by presentation of the parent copy of the suspension form to the parent in person or by letter (registered if necessary). The suspension form will not be given to the student to deliver to the parent/guardian. An offense that warrants expulsion will be reported in writing as a recommendation for a Superintendent's hearing. After the Superintendent's hearing the student may be assigned an additional suspension of up to ten days, assigned alternative placement, or expelled. The parents or guardian may appeal any suspension or expulsion as outlined in Board Policy 606.

### **HAZING**

The school system defines "hazing" to mean any intentional or reckless act, on or off Sevier County Board of Education property, by one (1) student acting alone or with others, that is directed against any other student, that endangers the mental or physical health or safety of that student or that induces or coerces a student to endanger that student's mental or physical health or safety. This policy focuses on those actions taken and situations created in connection with initiation into or affiliation with any school-sponsored or school-affiliated group/team. "Hazing" does not include customary athletic events or similar contests or competitions.

The Sevier County Board of Education expressly prohibits "hazing" as it is defined above. The school system shall distribute or make available this policy to each student at the beginning of each school year. During the first month of each new school year, time shall also be set aside to specifically discuss the policy and its ramifications as a criminal offense and the penalties that may be imposed by the school system. Any students found to have violated this policy will face disciplinary action, including, but not limited to, suspension or expulsion. Upon receiving notification of the request to appeal the suspension decision, the DHA shall provide written notification to the parent(s)/guardian(s) of the student, the student, and any other appropriate person of the time, place, and date of the hearing. The hearing must be held no later than ten (10) days after the beginning of the suspension. Within five (5) days of the DHA rendering a decision, the student, principal, principal-teacher, or assistant principal may request a review by the Board, and the Board shall review the record.

### **INTERROGATION AND SEARCHES**

Board Policy 607 (Interrogation and Searches) outlines procedures for the questioning and searching of students. Students may be questioned by teachers or principals about any matter pertaining to the operation of a school and/or the enforcement of its rules. Questioning should be conducted discreetly and under circumstances which will avoid unnecessary embarrassment to the student being questioned. Any student answering falsely, evasively or refusing to answer a proper question may be subject to disciplinary action, including suspension.

Any principal (or his/her designee) having reasonable cause for a search may search any student, place, or thing (including student lockers or cars) on school property or in the actual or constructive possession of any student during any organized school activity off campus, including buses, if the principal receives information which would cause a reasonable suspicion that the search would lead to the discovery of:

- Evidence of any violation of the law;

- Evidence of any violation of school rules or regulations or proper standards of student conduct;
- Any object or substance which, because of its presence, presents an immediate danger of harm or illness to any person.

For more information, refer to Board Policy 607 at [www.sevier.org](http://www.sevier.org).

## **COPPA-REQUIRED NOTIFICATION**

The Sevier County School System is committed to the safety of our learners, especially when it comes to the use of online resources. Technology is a critical part of today's classroom. We believe there is great potential for the use of online apps/tools to improve teaching and learning. The ever-increasing availability of online teaching and learning resources comes with inherent risks and concerns regarding student data, privacy, and student work. We as a district have a responsibility to ensure that student's data and privacy is adequately protected while using online digital resources for school work.

SCSS safeguards a wide range of information about its students. SCSS manages each student's personally identifiable information in accordance with Tennessee and Federal privacy laws, including FERPA and COPPA. SCSS will not share personally identifiable information with third-party providers unless there is a "legitimate educational interest" for the student(s).

In efforts to continue protecting student information, SCSS has adopted a set of standards for the use of new online resources in the classroom. These standards include the use of a vetting process to evaluate new apps/online tools for potential adoption. Only online apps/tools that are appropriate to meet instructional goals, that are well designed, and that meet the legal requirements to protect student privacy/data will be approved for use by students.

Parents who reside in Sevier County may transport their children to any school they choose.

After the first five days of school, parents of elementary students may not transfer their children from one school to another unless the parents move into a new community. For secondary students there will be no more than three days of open enrollment per term. If either or both principals disagree, the parents may appeal to the Superintendent's hearing officer.

### **STUDENT FEES AND FINES**

2. Educational services will comply with state and federal law to ensure the rights of disabled children and their parents are protected.

A plan developed pursuant to the IDEA, 34 C.F.R. § 300.324 will aim toward meeting the following objectives:

1. To develop and conduct a comprehensive screening and assessment plan emphasizing the early identification and evaluation of disabled students that are administered in accordance with the requirements and parameters of the IDEA.

A parent may seek an independent educational evaluation (IEE) if the parent disagrees with all or part of the assessment completed by the System; such an IEE may be paid for by the System if the IEE meets the System's criteria; however, the System may, at its option, initiate a due process hearing to show the System's evaluation was appropriate; if the System prevails in the hearing, the parent still may obtain an IEE but not at System expense;

2. To use the individualized education program (IEP) team for reviewing assessment, formulating programming, and determining placement for every disabled student;
3. To ensure that placements are made which educate disabled children in the least restrictive environment;
4. To provide each disabled child with an individual educational program (IEP) specifically designed to meet his/her needs, including class sizes that are in compliance with the required BEP formula (such class sizes will be monitored periodically.);
5. To ensure that procedural safeguards required by state and federal laws are adhered to; and
6. To involve parents of disabled children in a meaningful, ongoing dialogue.

A plan developed pursuant to Section 504 will aim toward meeting the following objectives:

1. To develop effective 504 teams to assist in providing accommodations to students with physical or mental impairment(s) that substantially limit one or more major life activity.
2. To use the 504 team to evaluate students by reviewing information from a variety of sources, such as teacher observations, standardized test scores, report cards, and information from parents and medical providers;
3. 504 teams will reevaluate students every three years, before any significant changes in placement, or at the request of the

parents or school personnel;

4. To ensure that procedural safeguards required by state and federal laws are adhered to; and
5. To involve parents of disabled children in a meaningful, ongoing dialogue.

### **Student Discipline**

#### Disciplinary Exclusion of Student with a Disability

1. A disciplinary exclusion of a student with a disability from school is a significant change in placement if
  - a) the exclusion is for more than 10 consecutive school days; or
  - b) a series of exclusions that are each of 10 days or less in duration creates a pattern of exclusion.
    - i. Factors that should be considered in determining whether a series of exclusions creates a pattern of exclusion include, but are not limited to:
      1. the length of each exclusion,
      2. the proximity in time of the exclusions to one another,
      3. the total amount of time the student is excluded from school,
      4. and similarities of one behavior to another which resulted in the disciplinary actions.
2. Before implementing a disciplinary action that constitutes a significant change in placement under Section 1, the District will convene and conduct a manifestation determination meeting with a multi-disciplinary team of individuals knowledgeable about the student, the student's evaluation data, and the placement options, in accordance with the requirements of 34 C.F.R. § 104.35. The multi-disciplinary team will conduct the manifestation meeting as follows:
  - a) Make a determination as to whether the student's misconduct is a manifestation of the student's disability;
  - b) Make a determination as to whether the student's misconduct is due to inappropriate placement;
  - c) Make a placement decision.
    - i. If the student's misconduct is either a manifestation of the student's disability or is due to an inappropriate placement, the multi-disciplinary team must determine what, if any, modifications to the student's educational placement are necessary and the student may not be disciplined.
    - ii. If the student's misconduct is not a manifestation of the student's disability or is not due to an inappropriate placement, the student may be disciplined in the same manner as similarly situated students without disabilities would be disciplined.
  - d) Provide the student's parents or guardian notice of both the manifestation determination and the placement decision in a prompt manner. The student's parents or guardian also must be provided with a copy of their procedural safeguards and rights related to the disciplinary action in a prompt manner.
