- 1 pack of 12 count colored pencils (optional)
- 1 Highlighter
- 2 rolls of paper towels
- 3 boxes of Kleenex
- 2 containers of Clorox or Lysol wipes
- 1 large Germ-X
- 24 or more Ticonderoga pencils
- 8 or more glue sticks
- Girls-1 box of gallon size zip baggies
- Boys-1 box of quart size zip baggies
- 2-two pocket plastic folders
- Hand-held pencil sharpener

*A donation of **\$20** is greatly appreciated to help with needed items and supplies throughout the year.

*We also do a daily, healthy snack for the children. If you would like to donate items like goldfish crackers, mandarin oranges, graham crackers, etc. we would be happy to use those.

*Since students change classes and carry things with them- **no** large binders/trapper keepers, personal staplers, tape, or office supply gadgets please.

*Please continue to read and practice multiplication facts over the summer. Also have “geographical location” discussions with your child. As you are traveling around, talk with your child about the community, city, county, and/or state you are in at the time and as they change.
