If medication can be given at home, before or after school hours, please do so. If medication must be given during school hours, this form must be completed and filed with the School Nurse. A separate form must be filled out for each medication.

I authorize Sevier County Schools to assist my child in taking this medication. I understand that:

- Medications must be in the original labeled container. Pharmacists may provide two labeled bottles for this purpose. Medications sent in an unlabeled container will not be given. If your child takes daily medication, please send an extra bottle to be used for field trips and After School Programs.
- Written permission of the parent/guardian is required for the administration of all medications.
- The parent/guardian must inform the school of any medication changes. New medication or new doses will not be given unless a new form is completed.
- Medications must be brought to the office/clinic by the parent/guardian.
- Unused medication will be disposed of unless picked up within one week after medication is discontinued. If medication is given throughout the school year, medication will be disposed of according to the medication Rule Section IX.
